

Deciding on your path to Solvency 2?

OAC Actuaries and Consultants is a full-service consultancy that can guide you through the challenges of Solvency 2.

Our consultants have the expertise to support you through the full Solvency 2 implementation life cycle.

Our Mo.net® financial modelling solution also provides:

- 'single-run' Solvency 2 models that eliminate the need for manual data or result manipulation;
- fully dynamic asset and liability models;
- full audit trail with source control features; and
- a modular approach, allowing stand-alone liability models to be integrated directly into the Solvency 2 solution.

Contact us today and let us assist you along your path to Solvency 2.
